

# Our Purpose & Values

We provide sustainable rail transportation solutions to safely reach global markets that feed and fuel communities around our world.

## Secure Our Future

We hold each other personally accountable to maintain the highest level of physical and psychological safety.

## People Matter

Everyone is to be treated with respect.

## Customer Growth is Our Growth

We provide a superior service that creates mutual success.

## Leave Your Legacy

We view every day as an opportunity to leave our mark and make a positive difference.

## Integrity is a Must

We believe that our company's success depends on honest and ethical interactions every day.

## Change is Good

We are never afraid to challenge the status quo in pursuit of continuous improvement.
